The screenshot shows the 'List Of Products' and 'List Of Scanned Products' tables. The 'List Of Products' table has 7 columns: Document No, Box Barcode, Product Name, Quantity, Scanned, and Remaining. The 'List Of Scanned Products' table has 4 columns: Document No, Box Barcode, Product Name/Supplier Name, and Quantity(Box). A red box highlights the 'PO/POI/TO Document...' input field. Red arrows point from the '01' and '02' labels to the sidebar icon and the document entry field respectively. A red number '03' points to the 'List Of Products' table.
